

EPiC DELIVERS SMART, ECONOMIC & DEFENSIVE CORPORATE PROGRAMS

What Can EPiC Do for Your Organization?

EPiC Training™ provides EEO, Diversity, and Anti-Harassment training customized for your organization to ensure an inclusive and respectful workplace, greatly reducing your organization's risk of liability and negative publicity. EPiC Training™ offers unique, engaging programs that meet Federal and state requirements to mitigate the consequences of legal claims against your company, for upper management, mid-management, line employees and all others in your organization.

EPiC Docs™ works with your staff to draft policy and procedure manuals and individualized forms to significantly reduce your organization's risk of liability and bad press.

EPiC Diversity™ works with your company's individual needs to create a unique Workplace Diversity Program with a focus on elimination of bias, compliance with document retention requirements, implementation of best practice policies and procedures, and the development of hiring, on-boarding, and exit forms with disclaimers and contractual provisions to guard against liability.

EPiC IX™ provides schools with assistance and training programs to ensure compliance with Title IX requirements, in order to ensure a fair and unbiased education to all, reduce the school's risk of liability and negative publicity, as well as guard against the loss of public funds.
